MFA Inquiry Form

Thank you for your interest in our MFA program. Please provide your information as requested below.

The School of Art MFA program requires a high degree of capability and commitment. Admission is highly selective. For consideration, applicants must hold a BA or BFA from an accredited college or university or a diploma from a four-year accredited professional art school. Our program seeks exceptionally self-motivated candidates whose thinking and work engages and communicates critically and creatively with the world. Applicants should have a thoughtful understanding of art history, cōntemporary art and theory, and have developed a body of work that demonstrates an active, current studio practice. Deadline for application is January 15. Send completed form to Peggy Feerick, Graduate Coordinator, pfeerick@gmu.edu
